COMMENTS REGARDING STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

The Examiner provided a Statement of Reasons for Allowance (Statement) as part of Paper No. 21 (Notice of Allowance And Fee(s) Due), mailed November 7, 2003. In the Statement, the Examiner relies only on excerpts from claim 23 regarding allowability, and also indicates that independent claims 1, 4, 9, 12, 15, 18, and 22-23 are patentably distinguishing over the closest previously relied upon prior art.

MPEP 1302.14 states in part:

Where specific reasons are recorded by the examiner, care must be taken to ensure that such reasons are accurate, precise, and do not place unwarranted interpretations, whether broad or narrow, upon the claims. The examiner should keep in mind the possible misinterpretations of his or her statement that may be made and its possible estoppel effects.

For example, the Examiner appears to suggest that other independent claims 4, 9, 12, 15, and 18, are allowable for the same features recited in claim 23, even though the independent claims 4, 9, 12, 15, and 18 recite other patentably distinguishing features. The Applicants assert that the independent claims 4, 9, 12, 15, and 18 speak for themselves as to what other patentably distinguishing features are included therein and are their own best evidence as to the reasons for allowance of same.

It is submitted that the Examiner's Statement does not meet the standards of MPEP 1302.14 and, instead, raises "possible misinterpretations... and possible estoppel effects" (MPEP 1302.14) and, accordingly, should be disregarded regarding the aforementioned.

Respectfully submitted,
STAAS & HALSEY LLP
